OVERTIME COMPENSATION

(New Employee Agreement)

I understand that it is the established policy of the St. Louis Metropolitan Police Department to provide compensatory time off, for the first forty (40) hours of accumulated overtime, in lieu of cash overtime compensation. This policy complies with the requirements of the Fair Labor Standards Act, as amended in 1985.

I have been made aware of this overtime compensation policy prior to performing work and voluntarily agree to it as a condition of employment.
